# OUR HISTORY

Springslade Lodge was bought by current owners Kaye and Richard in 2000. Back then it was just a small outside café with customers being served through the windows.

Kaye & her Mum 2000.

Kaye & her daughter Lucy 2018.

Over the past two decades, Kaye and Richard have transformed this idyllic countryside café to include the cosy tea room and beautiful campsite which you see today. Most recently, a new function room has been built offering fantastic views over the Chase and offering a private space for parties and social events including our magical children's parties and wonderful workshops which help children get in touch with nature.

Service and atmosphere are what we pride ourselves on here at Springslade, so to ensure we maintain our high standards Kaye has personally trained all our staff including our long serving Chef Chris who Kaye first met when lecturing at Stafford College. But don't just take our word for the high standards; Springslade Lodge has won a multitude of awards over the years including Tea Room of the Year 2016 from Taste of Staffordshire awards.

We are proud to say this is a family business with Kaye and Richard's daughter Lucy following in her mother's footsteps. Lucy is now in charge of the day to day running of the tea room & helping maintain our rigorous standards.

However, family is more than just relations and we like to think of every customer as a member of the Springslade Lodge Family.

- We aim to take your order at the table. However, if we are busy feel free to order at the till. Thank you.
